

Rex Club Pharmacy Discount Program

On behalf of your employer, you're being enrolled in the Rex Club pharmacy discount program. For questions and to confirm activation of your Rex Club benefits, please call us at (248) 353-7373.

As a member of EHIM, your health is our top concern and priority. We know that you may have lost prescription coverage through your employer's benefit plan due to the COVID-19 pandemic, so we're offering you this complimentary 90-day Rex Club membership which allows you to continue receiving the medications you need at our discounted rate.

How It Works

Getting discounts with your Rex Club card is easy. Simply visit any of the participating pharmacies near you and present your Rex Club card to receive our negotiated discounts directly at point of sale. There is no need to download coupons, you will receive discounts on all FDA approved medications at any of our participating pharmacies.

In the event that your employer benefits are reactivated, please stop using the Rex Club card and continue using your EHIM benefit card.
